Application Process
How to Apply for Admission Online

1. Go to www.ntcc.edu/dualcredit
   Number 2 under the “Steps to Enroll” section provides a link to the application for admissions.

2. You WILL NEED a social security or state ID number (can be provided by high school counselor). When it asks under the “Academic Information” section of the application, a dual credit student’s basis for admission is dual credit. The next question asks about the reason students are taking classes. The appropriate response is that they are earning credit for transfer.
Residency Requirements

▪ In District:

➢ Texas residents are considered in-district if they physically reside within the geographic boundaries of the Northeast Texas Community College district (Camp, Morris and Titus counties), excluding student housing or residence halls.
➢ Students must have lived in the taxing district for at least 90 days prior to the beginning of the semester.
➢ Residence in the NTCC district cannot be established by moving into the district for the specific purpose of attending NTCC.

▪ Out of District:

➢ Texas residents who do not physically reside within the geographic boundaries of the Northeast Texas Community College district.

▪ NTCC Waivers:

➢ Undocumented students are granted a waiver to receive the same tuition as the students in their ISD. The business office applies the waiver after the student is registered.
➢ Students whose physical address is out-of-district but attend an in-district school receive in-district tuition. The business office applies the waiver after the student is registered.
➢ Hughes Springs ISD students receive in-district tuition as grandfathered in by the original by-laws of the college. The business office applies the waiver after the student is registered.

Although Northeast Texas Community College is an “open door” institution, state laws are very specific concerning residency requirements. Students are responsible for registering under the proper residency classification. Any questions concerning this classification should be clarified with the Admissions Office prior to, or at the time of enrollment. Rules and regulations for determining residence status are defined under Title 3 of the Texas Education Code. To determine the appropriate residency classification, NTCC is required to review enrollment documents for errors, inconsistencies or misclassifications of residency. The college will take the necessary steps to see that appropriate adjustments are made if a misclassification occurs. Additional documentation of Texas residency may be required if the college determines that the information given on the enrollment documents is not adequate to prove residency.
Advising and Orientation
Eligibility

Students must have completed the 10th grade year of a participating high school, private, charter or home school, or have special permission to take classes during their 9th or 10th grade year. Home schooled students must submit a notarized copy of their transcript.

Students must have approval from a high school counselor or principal with a signed dual credit permission form. The parents of home schooled students can sign the permission form but the classes must count for high school credit.

Fulfill appropriate admissions criteria for the college.

Meet minimum test scores (see below). Home schooled students do not take TAKS so they must have met the requirements from one of the other tests listed below.

Test Score Requirements for Academic Courses (TSI)

TSI refers to the Texas law (Texas Success Initiative) that requires all students attending a Texas public college or university to be assessed in reading, writing, and math before attending college credit classes, unless student demonstrates an assessment-exempt or assessment-waived status.

- SAT – 1070 combined, with 500 or higher on math and/or verbal, OR
- ACT – 23 composite, with 19 or higher on math and/or English, OR
- PSAT/NMSQT – 107 combined w/minimum critical reading and/or math score of 50, OR

Test Score Requirements for Workforce Education Courses

A high school student is eligible to enroll in workforce education dual or concurrent credit courses if the student is enrolled in courses that lead to a Level I certificate program at Northeast.
Texas Success Initiative (TSI) Testing

Location and Hours:
The Testing and Assessment Center is located on the main Northeast Texas Community College (NTCC) campus in the Business Technology (BT) Building. For information, please call 903.434.8273.

Testing Center Hours:
Monday & Thursday: 8:00 a.m. to 7:00 p.m.
Tuesday & Wednesday: 8:00 a.m. to 6:00 p.m.
Friday: 8:00 a.m. to 12:00 noon
Closed on Saturdays & Sundays

During summer hours the Testing Center closes at 6:00.

The tests are untimed and each test cost $4. A student can take all three tests at one time or one or more tests at the same time. Any portion of the test can be retaken, but a student cannot retake the same test on the same day. Students must bring a photo ID and social security number to the testing session.

# NEW STUDENT CHECKLIST

**Dual Credit**

1. **APPLICATION**
   - Apply online at [www.ntcc.edu/dualcredit](http://www.ntcc.edu/dualcredit)

2. **TESTING**
   - Check your SAT/ACT/PSAT scores to see if you are eligible –OR-  
   - Visit high school counselor to sign-up for the TSI Assessment test if offered at high school –OR--  
   - Schedule test by contacting an NTCC Testing Center  
   - Present photo ID and social security number on day of test  
   
   NTCC Testing Center 903-434-8273

3. **ADVISING**
   - Meet with Director of Dual Credit and talk with your high school counselor  
   - Submit all paperwork to NTCC Office of Dual Credit or high school counselor.  
     - ✓ Test scores (ACT, SAT, PSAT, TSI Assessment, if used for TSI exemption)  
     - ✓ Current high school transcript  
     - ✓ Permission letter from the high school

4. **ORIENTATION**
   - Participate in an online dual credit orientation. (upcoming)

5. **REGISTRATION**
   - Check *NTCC Course Schedule* to determine registration time  
   - Register through Director of Dual Credit

6. **PAYMENT**
   
   Tuition payment can be made by:  
   - Using Campus Connect on the MyEagle Portal - mycampus.ntcc.edu  
   - Calling the Business Office at (903) 434-8100  
   - Visiting the Business Office in the Administration Building at NTCC  
   - Setting up a FACTS payment plan on Campus Connect via the MyEagle Portal  
   - Applying for the dual credit scholarship for at [www.ntcc.edu/dualcredit](http://www.ntcc.edu/dualcredit).

**NOTE:** You will be dropped or withdrawn from classes for failure to make payment by the deadlines posted in the *NTCC Course Schedule* and may still owe all or part of your tuition. See drop and withdrawal policy.
Dual Credit Orientation (upcoming)

**Dual Credit Orientation** is an information session for first time students which guides students through the NTCC admission and registration process so that students are informed about college procedures and can register for courses. Representatives from the college provide the orientation at the area high schools.

Once a student has completed this session, they will:

- know the requirements for being admitted to NTCC as a dual credit student.
- be aware of college policies and procedures
- know how to read the course schedule to find appropriate courses.
- be able to register for classes

**NTCC Course Catalogue and Schedule**

**NTCC Catalog:**

The College Catalog is published online each academic year at [catalog.ntcc.edu](http://catalog.ntcc.edu). The catalog includes:

- Degree Plans for all Associate of Arts, Associate of Science, and Associate of Applied Science degrees offered through NTCC.
- Degree Plans for all Certificates Programs.
- Course Description including course prerequisites, if any, for all NTCC courses.
- Complete academic calendar.

**NTCC Course Schedule:**

The Course Schedule is published online at [http://www.ntcc.edu](http://www.ntcc.edu). The schedule includes:

- Registration dates and times for each semester
- List of all course offered at NTCC for that semester including times, days, and locations
- Recognized Holidays
- Tuition & Fees
- Final Exam Schedule
Suggested Dual Credit Academic Transfer Courses

Some NTCC courses will meet students’ high school graduation requirements while also counting toward a college associate degree, bachelor’s degree, or technical certificate. School districts and/or high schools determine whether an NTCC course can receive high school dual credit. Other colleges and universities determine which courses will be accepted for credit toward a student’s degree requirements. Students should consult their high school counselor for a listing of their school district’s approved dual credit courses. Students should consult the university they plan to attend to confirm if a course will count toward the student’s major for college graduation.

TSI Waived Certificate Programs

- Agriculture
  Farm and Ranch Management Certificate
  Sustainable Agriculture Level 1 Certificate
  Sustainable Agriculture Level 2 Certificate
- Art
  Advanced Graphic Design Level 1 Certificate
  Graphic Design Level 1 Certificate
- Auto Body Repair Tech Certificate
- Automotive Technology
  Automotive Maintenance and Light Repair Level 1 Certificate
  Automotive Maintenance Specialist Level 1 Certificate
  Carroll Shelby Automotive Service Technician Specialization Level 2 Certificate
  Carroll Shelby Performance Academy Level 1 Certificate
- Business Management
  Business Management Certificate

  Criminal Justice Law Enforcement Certificate/Basic Peace Officer Certification
- Culinary Arts Certificate
- Electrical Occupations Certificate
- Emergency Medical Services
  12-Month Paramedic Certificate
  Intermediate Certificate
- Industrial Technology
  Industrial Electro-Mechanical Technology Level 2 Certificate
  Industrial Technology - Level 1 Certificate
- Medical Assistant - Medical Coding Specialist Level 1 Certificate
• Nursing - Vocational Nursing Certificate
• Office Technology
  Legal Office Assistant Certificate
  Medical Office Support/Transcriptionist Certificate
  Office Assistant Certificate

  Office Support Assistant Certificate
• Welding
  Basic Structural (Plate) Welding Certificate
  Basic Welding Certificate
  Pipe Welding Fabrication Certificate
Registration Process
myEagle Campus Portal

After students have been accepted to the college, they will have access to the myEagle campus portal. To log in to the portal, students will use their first initial + their last name + the last three digits of their SSN. The password is the student’s date of birth in the format of mmddyyyy (Ex: February 2, 1994 would be 02021994). If students do not have a SSN, they will use their first initial + their last name + the last three digits of their birth year.

Once logged into the portal, students may access their free Eagle Mail account by clicking on the Gmail Icon found on the left-hand side of the portal homepage under “Launchpad.” It is very important for students to follow the setup instructions and regularly access their Eagle Mail, as it is the official method of communication used by Northeast.

The myEagle Campus Portal is designed to be the students’ entry to tools, applications and information to successfully manage their educational business at NTCC. In a convenient dashboard view, students can:

- have single sign-on access to Eagle Mail, Campus Connect, Blackboard and more. Single sign-on means that students login to myEagle and do not need to re-enter any credentials to access these applications. A single click of a button gets students in!
- see a consolidated NTCC calendar with academic, athletic, student, and several other types of events included on a single calendar. Students can also filter events so they only see the events they want to see.
- have quick access to news and local weather, as well as the official NTCC Facebook page
- receive important campus announcements and messages
- participate in campus polls and surveys
- create or join other portal communities with web content and tools accessible only to them
- save documents in a centralized document library so students can access them from any computer with internet access. No need to carry them around on external storage devices.
- access the NTCC Student Handbook
- Access the NTCC course catalog
- provide important feedback so we can continue to improve myEagle!
Campus Connect

The first time a student tries to access Campus Connect in the portal it is going to ask for a one-time username and PIN. The username is the eight digit NTCC Student ID or Social Security number without dashes or spaces, and the PIN number is the student’s date of birth in the format of mmddyyyy (Ex: February 2, 1994 would be 02021994). This service also allows students the opportunity to:

• View/print the student’s class schedule
• View/print a current grade report
• Determine course availability
• View/print a copy of the student’s Unofficial Transcript
• View/print account billing and history

Course Load

Dual credit students can take two courses (6-8 semester hours) per semester. Under special circumstances, students may be allowed to take additional courses with permission from the high school counselor or principal and the Executive Vice President for Instruction at the college.

Tuition Costs

In-District Tuition (Camp, Morris, and Titus Residents)
$255 per 3-hour course
$340 per 4-hour course

Out-of-District Tuition (All Other County Residents)
$426 per 3-hour course
$568 per 4-hour course

Note – Some workforce programs may have additional fees.

Payment of Tuition and Fees

Tuition and fees are due following registration, according to the tuition deadlines listed in the NTCC Course Schedule. Failure to pay tuition and fees by payment deadline will result in the student being dropped from classes. IMPORTANT: It is the student’s responsibility to ensure payment is made or a payment plan is in place by the deadline. For questions regarding tuition and fees due, contact the NTCC Business Office at (903) 434-8118 or 434-8109.
Methods of Payment

Payment due dates can be found on the student’s statement of charges or by accessing the student’s statement through Campus Connect under student information. Northeast Texas Community College offers a variety of ways to pay for classes. Student can pay using cash, checks, MasterCard, VISA, or DISCOVER by visiting the Business Office located within the Administration Building. If paying by check, students are required to furnish the current driver’s license number and date of birth of the person signing the check.

Students can also pay in full or establish a payment plan online by accessing the NTCC website and clicking the Campus Connect button. Northeast Texas Community College offers FACTS as a convenient payment plan option. FACTS is not a loan program. You have no debt, there are no interest or finance charges assessed, and there is no credit check. The cost to initiate your interest-free monthly payment plan is a $35 nonrefundable enrollment fee. Students must establish a payment plan through Campus Connect. Visit www.factsmgt.com for additional information on this payment option.

Add, Drop, and Withdrawal Policy

All changes to a dual credit student’s schedule must be submitted to the Director of Dual Credit for processing.

It is the student’s responsibility to notify the college of any schedule changes done at the high school level that involve a dual credit class. Dual credit students follow the same add/drop/withdrawal policy as all college students.

Students may DROP a class prior to the official reporting day (twelfth day - regular semester; fourth day - summer term). In this case, the class will not appear anywhere on the student’s transcript. If a student WITHDRAWS from a class after the official reporting date and before the last posted date of withdrawal, a “W” will be recorded on his or her transcript.

Refund Policy

Students who officially drop or withdraw from NTCC shall have their tuition and mandatory fees refunded according to the following schedule as adopted by the Texas Higher Education Coordinating Board. Refunds are based on the date that the drop or withdrawal form is received in the Admissions and Records Office.

Students will receive a 100% refund for courses dropped prior to the first class day.

Students who drop or withdraw from a course after the first day of class will be refunded based on the chart below. NOTE: Class day means the day the semester is designated to begin and each consecutive school day thereafter.
Fall, Spring

During the first fifteen (15) class days.........................................................70 %
From the 16th through 20th (16-20) class days..............................................25 %
After the twentieth (20) class day.................................................................0 %

For students who reduce their course load, but do not completely withdraw, the following refund schedule will apply:

During the first twelve (12) class days............................................................100 %
From the thirteenth through fifteenth (13-15) class days..............................70 %
From the sixteenth through twentieth (16-20) class days..............................25 %
After the twentieth (20) class day..................................................................0 %

Summer I and Summer II

During the first five (5) class days.................................................................70 %
During the sixth and seventh class days......................................................... 25 %
After the seventh class day .............................................................................0 %

For students who reduce their course load, but do not completely withdraw, the following refund schedule will apply:

During the first four (4) class days.................................................................100 %
The fifth (5) class day.....................................................................................0 %

Intersession, Summer I & II Fast-Track

During the first three (3) class days.................................................................70 %
During the fourth (4) class day.......................................................................25 %
After the fourth (4) class day .........................................................................0 %

For students who reduce their course load, but do not completely withdraw, the following refund schedule will apply:

During the first two (2) class days.................................................................100 %
During the third (3) class day..........................................................................0 %

Refund checks will be mailed by the Business Office to the student. Refunds must be applied for within the same school year as withdrawal.
Student Services and Additional Information
Family Educational Rights and Privacy Act

- Family Educational Rights and Privacy Act – this law, commonly referred to as FERPA, prohibits colleges from providing information (other than directory information) to anyone other than the student. What this means to parents is that the college cannot give information about a student’s grades or attendance. The college also is prohibited from allowing a parent to enroll a student in classes or discuss the student’s financial accounts without a note authorizing such from that student. Dual credit students sign a waiver to allow college representatives to share information with the high school officials.

Blackboard Instructions for Students Taking Online or Hybrid Courses

1. Log into the MyEagle Portal by going to mycampus.ntcc.edu.

2. Type in the user name and password. To log in to the Portal, students will use their first initial + their last name+ the last three digits of their SSN. The password is the student’s date of birth in the format of mmdyyyy (Ex: February 2, 1994 would be 02021994). If students do not have a SSN, they will use their first initial + their last name+ the last three digits of their birth year.

3. Once a student has logged in through the myEagle portal, he or she will only enter this information the first time.

3. Click on Blackboard on the left-hand side under “Launch Pad.”

4. On the login page, click the “Check Browser” button to make sure your computer is configured correctly.

5. Disable your popup blocker.

6. Once you are logged in, you will see your course(s) listed.

7. Access your course by clicking on the course title.

8. If your course is not listed, please contact the Director of Dual Credit immediately for assistance.
Learning Resource Center

The Learning Resource Center (LRC), conveniently located in the center of campus, provides an attractive atmosphere for study and research. Carrels, tables, and lounge furniture make for an environment conducive either to working on assignments or recreational reading. Tours of the LRC and instruction in the use of the library may be provided to groups on request; individual assistance is always available. Use of the library and materials is extended to members of the community. Each user is responsible for materials borrowed with his or her library card. The LRC participates in the TexShare Library Card program, a reciprocal lending program that allows users to borrow materials in person at libraries across the state.

The LRC maintains a Web site with links to its online catalog and other Internet resources, as well as information about library and media services. Audiovisual equipment is available for use in individual carrels for those wishing to use audiotapes and videocassettes. Public computers provide access to the Internet, online databases, and instructional and productivity software. Photocopying of print materials and a scanner is available. Access to online material can be found at www.ntcc.edu/library. Any information accessed through the LRC website is password protected and new credentials are released every year. The current username/password is: library/ze7n4t

The LRC is open during the fall and spring semesters 8:00 a.m. to 7:30 p.m. Monday and Tuesday, 8:00 a.m. to 6:00 p.m., Wednesday and Thursday, and 8:00 a.m. to 12:00 p.m on Friday. The LRC also houses the College Store and Graphic Arts Department. Hours for these and other departments may be obtained by calling the campus switchboard at 903-434-8100 and asking for the appropriate department.
Tutoring

- Free Tutoring is available for NTCC students in Humanities Room 109 from 8 a.m.-6 p.m., Monday-Thursday.
- Check the schedule to see what time a tutor for your subject is available.
- Any subject not listed may be available. To request a tutor call the ASC (903-434-8244) or ask at the front desk.

Academic Skills Center and Computer Labs

- Writing help is available to students working on papers for any class.
- Help is available in generating ideas, drafts, grammar, punctuation, usage, etc.
- Computers with word processing programs and printers are available for student use.
- Students desiring to print must purchase an Academic Skills Center print card from the NTCC College Store.
- Computers equipped with various software programs are available for student and community use.

Accommodations for Students with Disabilities

It is the policy of Northeast Texas Community College to provide reasonable accommodations for qualified individuals who are students with disabilities. This College will adhere to all applicable federal, state and local laws, regulations and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. It is the student’s responsibility to arrange an appointment with the Advisor/Special Populations Coordinator or visit www.ntcc.edu/specialpopulations to obtain a Request for Accommodations form. For more information, please refer to the Northeast Texas Community College Catalog or Student Handbook.

I understand that my college credit will be transcribed but held in escrow until I furnish an official high school transcript showing that I have graduated. I understand that my signature on this form gives NTCC permission to release an official copy of my transcript to my high school at the end of each semester.

I understand that my signature on this form gives NTCC representatives permission to share information with respect to grades, attendance, and class status to high school officials. I have read and understand the rules governing the Dual Credit Program and will abide by those requirements.

NORTHEAST TEXAS COMMUNITY COLLEGE
DUAL CREDIT SCHOLARSHIP ELIGIBILITY GUIDELINES AND APPLICATION

Northeast Texas Community College provides a limited number of need-based institutional scholarship awards for high school students who wish to take college courses. The scholarship will pay $200 per semester during the fall and spring semesters toward tuition, fees and books for dual credit classes. Students must apply each semester. Scholarships are awarded on a first-come first-serve basis and based on the guidelines below.

1. Students must be approved for admission to NTCC and meet TSI requirements with eligible PSAT, SAT, ACT, or TSI Assessment test scores before applying for the scholarship.
2. Students receiving this scholarship must enroll in a minimum of three credit hours.
3. The $200 scholarship award is for tuition, fees, and book charges for dual credit classes during the fall and spring semesters.
4. Students applying for this scholarship must provide a copy of their legal guardian’s Federal income tax return or documented untaxed income. W2 forms will not be accepted.
5. Students must have at least a 3.0 high school grade point average.
6. Students must show acceptable academic progress. Students who are awarded a scholarship and withdraw or fail the course will be ineligible for future scholarship funds.
7. To qualify, students must use the family income levels listed below.

<table>

<tr>
<td>4</td>
<td>$34,575</td>
</tr>
<tr>
<td>5</td>
<td>$40,515</td>
</tr>
<tr>
<td>6</td>
<td>$46,455</td>
</tr>
<tr>
<td>7</td>
<td>$52,395</td>
</tr>
<tr>
<td>8</td>
<td>$58,335</td>
</tr>
<tr>
<td>9</td>
<td>$64,215</td>
</tr>
</tbody>
</table>

If family income as indicated on the previous year’s Federal income tax form is greater than the amount identified for the family, the student will not be eligible for the scholarship.

Directions for Submitting Scholarship Application

1. Check eligibility guidelines.
2. Complete the application.
3. Obtain a copy of your parents’ Federal 1040 Income Tax return.
4. Send the application and a copy of the first page of the income tax return that shows your parents’ adjusted gross income to:

Acta de Privacidad y Derechos Educativos de Familia:

La Acta de Privacidad y Derechos Educativos de Familia--esta ley, designada comúnmente como FERPA, prohíbe que las universidades proporcionen la información (con excepción de la información del directorio) a cualquier persona con la excepción del estudiante mismo. Esto indica que la universidad no puede dar ninguna información sobre los grados o la asistencia de un estudiante ni a la familia. La universidad también queda prohibida de permitir que un padre matricule a un estudiante en clases o discutir las cuentas financieras del estudiante sin una nota de autorización del estudiante. Los estudiantes de crédito doble firman una renuncia de estos derechos para permitir que los representantes de la universidad compartan la información con los oficiales de la High School.
