Spring 2015 Credit Schedule

focused on learning

NORTHEAST TEXAS COMMUNITY COLLEGE
7 Steps to Success Checklist

Steps to getting enrolled at Northeast Texas Community College

1. Complete the Application for Admission at www.ntcc.edu/admissions
   Select the appropriate link (New Student, Transfer, Returning, etc.)

   The FAFSA (Free Application for Federal Student Aid) is used to determine eligibility for federal/state aid

After completing BOTH applications above AND you have received your admission letter with your NTCC Student ID number, bring to the Admissions Office the following:

3. Provide OFFICIAL transcripts (high school, GED, or college)
   If you have complete more than 12 college credit hours AFTER graduation, we will not need your high school or GED. Less than 12 hours will require one of those. You must provide ALL transcripts from EVERY college you have attended. All high school transcripts MUST have the Date of Graduation.

4. Provide OFFICIAL immunization record with proof of bacterial meningitis vaccination, or proof of exemption. (for all students 21 years of age or younger)

If you intend to live on campus, it is REQUIRED, regardless of age, to provide proof of the Bacterial Meningitis Vaccine at least 10 days prior to moving in. You will also need to apply for housing as soon as possible by going to the MyEagle Portal and completing the online application and submitting the deposit. More information for housing can be found at www.ntcc.edu/housing.

5. Provide TSI Assessment or approved alternative placement test scores
   Approved alternatives include: exit-level TAKS (STAAR), SAT, ACT, or completed college-level coursework

After providing ALL of the above items required, then complete the final two steps:
   First-time students can bring items to their MyEagle Orientation (it is preferred before)

6. Attend the NTCC MyEagle Orientation
   All first-time, full-time students are REQUIRED to attend. If you have less than 12 college credit hours, or if you have never been a full-time college student, you MUST attend. Spring & Summer admission orientation is online.

7. Meet with an Advisor
   Both faculty and academic advisors are available to determine course placement/selections. All first-time students will be assigned to an advisor and required to meet with them prior to registration.
How to Register Using Campus Connect

STEP 1
Current students may access CampusConnect through the MyEagle portal at https://mycampus.ntcc.edu. The naming format for your login is first name initial + last name + last 3 digits of your Social Security Number (SSN). The password is set to your date of birth (DOB) in an 8-digit format, mmddyyyy.

For example, if Bart Simpson (SSN 123-45-6789, DOB January 3, 1989) was a student at NTCC, his log-in credentials would be bsimpson789 and his password would be 01031989.

If you have not previously logged into the portal, when you access CampusConnect you will need to enter your log-in credentials one time. Your student number is your student id or social security number (without dashes or spaces) and your PIN number is your birthdate in mmddyyyy format. From this point forward, when you log into the portal, you are automatically logged into CampusConnect.

STEP 2
Now that you are logged in (Thank you for using CampusConnect. You are now logged in.), you may begin registering for classes. On the menu bar, hover or slide your mouse over the Registration Menu button. This will cause the menu to appear.

STEP 3
Click on Add/Drop Courses (the first menu option)

STEP 4
You should now see two boxes with lists. In the left box, choose the semester (Spring 2015) for which you want to register. In the right box, scroll through the list and click on the department (ENGL, MATH, etc.) of the course you want to select.

STEP 5
Available courses for that department appear in a list with ‘Add’ buttons to the right. If a course does not appear on this list, it is either closed (full) or has been canceled. Find the course on the day and time of your choosing, then click the ‘Add’ button. NOTE: If you are registering for a lab science, you MUST register for the lab first, and then the lecture.

The course you selected should now appear at the top of the screen. Scroll down to the bottom of the page, and click ‘Select Another Course or Termcode’ to add your next class.

Repeat STEPS 4 and 5 until you have your schedule completed. Your scheduled is saved automatically, even if you leave the registration screen.

STEP 6
Once you have completed registering for all courses, you need to view your statement to find out how much your courses cost and on what date payment is due. Hover or slide your mouse over the Student Information menu button, then click on ‘Review/Pay Account.’ Select the semester you have registered for to view and print your statement.

### 16-Week Hybrids

The “best of both worlds,” giving students face-to-face support and the convenience of online instruction. The format of these classes is half in class (one day a week) and half online.

**Regular access to a computer is required in order to take these classes.**

Internet-Based Courses

An internet based course allows you to take courses from home by accessing a Northeast Texas Community College “virtual classroom.” Course information, individual lessons, and class assignments are delivered from the distance education Internet server to your own personal computer. You will send class assignments and homework from your computer to your online instructor. Although you work on the course at your own location and weekly schedule, you can communicate with your instructor at any time of the day or night using e-mail. To become a student in an NTCC Internet based class, you must be accepted for admission to the College.

Essential Computer Skills Needed for Success in an Online Course:
You must know how to use and have access to a web browser (like Firefox or Internet Explorer). You must be able to save a text file into various file formats. You must be able to type a document using a word processor program (faster than 20 words per minute is recommended). You must be able to attach a file to an e-mail message. Your online instructor may suggest other necessary skills.

All students who have not previously enrolled in an online course prior to Fall 2011 will be required to complete the SmarterMeasure readiness test available by clicking on the SmarterMeasure icon located in the myNTCC campus portal. All students who have previously completed an online course prior to or during the Fall 2011 semester are exempt from this requirement.

For orientation information regarding the following courses, please log on to www.ntcc.edu/blackboard.
