Test post-mortem

ie		Cla	ass	Test
	What grade did you make on this test? What did you expect to make?		What did you expect to make?	
•		test an accurate reflection of your	_	
	0	Why?		
•	What t	factors led to the grade you made?	Respond to ea	ach statement below.
	a)	I spent enough time preparing fo	r this test.	_YesNo
		 How much time did you 	spend studying	?
		In what ways did you stu	dy?	
		■ What was your study env	rironment?	
	b)	I studied over several days instea	nd of cramming	z. Yes No
	,			n each of those days?
	c)	I study the correct material	•	, <u> </u>
	,	•		you didn't?
	d)	I had enough information about t	the test to prepare	are properlyYesNo
		 If no, what additional infe 	ormation did y	ou need?
	e)	I can do well on this type of test.	YesN	0
		I can do well because		
		 If no, describe a better test 	sting circumsta	nce for you.
	f)	I feel that the material was adequ	ately covered	in classYesNo

		• If no, what material needed to be covered more thoroughly?
	g) V	Vas there a practice test available for this test?YesNo
		 Did you take the practice test?No
		• If no, why not?
	h) M	Ty class attendance was adequate to get the needed informationYesNo
		If not, why did you miss class?
		How often did you miss class?
	i) I	feel that test anxiety prevented me from doing my bestYesNo
		• If yes, in what ways did that anxiety show up for you?
		User con this machine he may anted an advect in the fature?
		How can this problem be prevented or reduced in the future?
		What have you tried in the past to help with test anxiety?
,	I think th	at my grade was based on luck rather than on my abilityYesNo
	o I	think it was luck because
	_	
,	If you ha	d the option of retaking this test:
	0 V	What would you do differently?
	_	
	_	
	o V	What would you do the same?
	_
