998 Northeast Texas Community College

Northeast Texas Community College District respectfully supports the \$1.83 billion formula funding request submitted by the Texas Association of Community Colleges (TACC) in its letter to the Legislative Budget Board and the Governor's Office, Budget Division. State support remains critical to the district as it addresses costs related to mitigating the effects of the pandemic, including transitioning to distance education, providing for personal protection equipment, and safely delivering required in-person instruction.

In the wake of COVID-19 pandemic, Texas community colleges began developing a workforce initiative aimed at providing low or no-cost short-term workforce training leading to high-demand credentials to Texans whose employment and/or academics had been recently disrupted. Northeast Texas Community College District respectfully supports the \$50M exceptional item request submitted by TACC in support of this statewide workforce initiative, funded in the amount of \$1M per college district for the 2022-23 biennium.

With continued support from the state of Texas, Northeast Texas Community College will:

- Continue to expand our award-winning CTE/dual-credit center in Mt Pleasant to support regional workforce programs vital to our local economy.
- Increase the number of high-demand health science dual-credit programs to include more of our rural area ISD's.
- Add additional student support personnel and career counseling staff in support of the Texas "Guided Pathways" project to improve high school-to-community college and four-year college transfer and completion rates.
- Further expand our innovative work scholarship program, which provides students with meaningful work at above-market wages, and allows them to complete a community college degree without student loan debt. This program is uniquely designed to address the cost of attendance while also preparing "work-ready" students who will have a valuable work history to add to their educational credentials upon graduation.
- Add an Early College High School in collaboration with an area ISD to provide additional dual credit opportunities for low income/first generation students.
- Provide reskilling/training opportunities for displaced workers affected by the recent closure of a U.S. Steel plant in NTCC's taxing district.

SIGNIFICANT CHANGES IN POLICY:

There are no significant changes in policy which impact this budget.

SIGNIFICANT CHANGES IN PROVISION OF SERVICE:

There are no significant changes in provision of service which impact this budget.

SIGNIFICANT EXTERNALITIES:

The current year Covid-19 pandemic has had a dramatic and adverse impact on NTCC's ongoing operations, our students, and the community we serve. The federal aid NTCC received in the form of "CARES" act funding has been very helpful in providing direct support for selected students, but has not provided sufficient support to cover the large amount of institutional expenses needed to safely continue college operations in a pandemic environment or sufficiently help with the recovery of lost revenue from Covid-19 impacted declines in summer and fall enrollments.

USE OF HOMELAND SECURITY FUNDS

We are utilizing CARES Student Funds (CFDA 84.425E) to provide direct payments to students. We are utilizing the CARES Institutional Funds (CFDA 84.425F) to refund students for dorm and meal plans based on requests made by students for reimbursement. Additionally, Institutional and Minority Serving Institutional Funds (CFDA 84.425L) are being used for custodial and non-custodial supplies, lost revenue and other expenditures that have and will arise due to COVID-19. The majority of custodial and cleaning supplies expended are anticipated to be reimbursed through FEMA Funds (CFDA 97.036). As of this report we have applied for and expect to be reimbursed \$29,660. CARES Act and FEMA reimbursable expenditures will continue into the 2020-2021 Fiscal Year.

Note: \$160 of Title V Funds (CFDA 84.031S) were spent on COVID-19 related expenditures. CFDA 84.031S was not available in the ABEST system at the deadline for filing and was placed in 000.301.001 Information and Referral.
