

# WORK COLLEGE

Northeast Texas Community College

## They Really Are Willing to **WORK!**

This past week, 95 Work4College students were able to take the first step in paying for their college education (we had approximately 150 applications). The program has grown so much in the past 8 years and we could not have done it without your support.

We want to personally thank each of you who have supported the program in the past. Once again, we are taking a leap of faith by offering a few extra students the opportunity to participate in this life-changing program, hoping that some additional supporters will decide to step in and sponsor a student.

All sponsors will begin receiving handwritten thank you letters from the student they sponsored in the next two weeks. Also, as a sponsor, you will be invited to a luncheon at the college to meet your student in person at the end of the program!

## The students that you support will **WORK, SERVE, LEARN** and **EARN** their way through the summer!

Where do they all work? Sixty-seven of the students work on our college campus doing everything from general farm work to working with our campus maintenance team keeping the college clean. Many of them are painting all summer and some help in Student Services and our IT Department. Twenty-eight of the others work on campuses of local school districts we have partnered with (Chapel Hill, Harts Bluff, Winnsboro, and Como-Pickton).

If I can answer any questions or provide you with more information about the Work4College Program at NTCC, please don't hesitate to contact me at 903.434.8246 or email me at [mmay@ntcc.edu](mailto:mmay@ntcc.edu).

Sincerely,

Mason May  
Work4College Program Director
