Late Work Policy:

The word “assignments” refers to all work that is submitted via Blackboard or presented in class. Students are to submit assignments on or before the stated due date/time. Late assignments will only be accepted at the instructor’s discretion and will not receive full credit. Emergency situations will be handled on an individual basis.

Plagiarism:

In any written paper, you are guilty of the academic offense known as plagiarism if you half-copy or copy another author’s sentences or words. Usually this results in an automatic grade of “F” for the course. You cannot mix the author’s words with your own or “plug” your synonyms into the author’s sentence structure. To prevent unintentional borrowing, resist the temptation to look at the source as you write. **If you use another person’s words, phrases, sentences, even if you are paraphrasing, you must cite the source.**

Withdrawal Policy/Date:

It is your responsibility to drop a course or withdraw from the college. If you stop attending the course without withdrawing, you will still receive a grade, whether passing or failing.

NTCC Academic Honesty/Ethics Statement:

NTCC upholds the highest standards of academic integrity. The college expects all students to engage in their academic pursuits in an honest manner that is beyond reproach using their intellect and resources designated as allowable by the course instructor. Students are responsible for addressing questions about allowable resources with the course instructor. Academic dishonesty such as cheating, plagiarism, and collusion is unacceptable and may result in disciplinary action. This course will follow the NTCC Academic Honesty and Academic Ethics policies stated in the Student Handbook. Refer to the student handbook for more information on these subjects.

ADA Statement:

It is the policy of NTCC to provide reasonable accommodations for qualified individuals who are students with disabilities. This College will adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. It is the student’s responsibility to request accommodations. For more information and to obtain a copy of the Request for Accommodations, please refer to the special populations’ page on the NTCC website.

Family Educational Rights and Privacy Act (FERPA):

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their

children's educational records. These rights transfer to the student when he or she attends a school beyond the high school level. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.
