Sources used need to be credible and cited.

Students should describe the importance and effects of ethical practices on the company. Also, explain integrity, ethics, and social responsibility as they relate to the leadership and management of the company. Students should discuss their reaction to the ethical dilemmas (do you feel the company handled the situation correctly). Could they have handled it differently? Each group will do an oral presentation to the class during the final week of the course. All group members must be present and participate in the presentation. Each group will present using Google Slides, PowerPoint, or Canva Presentation Slides. A copy of the presentation must be submitted in the assignment link.

### Course Structure and Overview:

Several elements are essential for your success in this course. You will need to understand these fully prior to starting the course:

This course is presented as a dual credit course and will involve a collaborative teaching/learning style utilizing simulation exercises, projects, and additional on-line instructional components as necessary.

1. All courses require extensive engagement (with other students, the instructor, ISD facilitators, instructional coaches, and the course materials) as well as timely completion of assignments/quizzes/exams/discussion boards. Items are due weekly, and sometimes each day of the week (see course schedule for specific due dates). Thus, keeping up with the schedule is essential to your success. Your personal schedule must allow you to keep up with the due dates for the readings and other assignments. **Late work is not allowed in this course, so you must plan your schedule carefully.**
2. You must have continuous access to a working and dependable computer and Internet provider.
3. The following study sequence will maximize your chances for mastering each lesson in this course:
  - a. Read the lesson overview and learning objectives.
  - b. Read assigned material in the textbook or eBook.
  - c. Review the learning objectives.
  - d. Review the PowerPoint and take notes as needed (i.e., connected to lesson objectives.)
  - e. Complete and submit all assignments in Blackboard.
  - f. Be sure to participate in the Discussion Questions as assigned by writing your original responses and posting peer replies. These will add points to your course grade.
  - g. Complete all assignments on time.
  - h. Be sure to contact your instructor when you have questions or need help.

#### **Communications:**

- **Email:** Please check your **NTCC email EVERYDAY**. Email is the official form of communication used here at NTCC. All emailed questions to the instructor will be responded to within 48 hours (Monday-Friday), but usually within a few hours when possible. My email address is [kandrews@ntcc.edu](mailto:kandrews@ntcc.edu)
- **Phone:** My office phone number is 903-434-8224, however, if you need immediate assistance you may call my cell phone at 903-951-2180 (please do not call or text before 8:00 AM or after 9:00 PM). I do not respond to long detailed questions via text message.
- **Announcements:** These can be found in Blackboard under the course link on your Blackboard homepage. Please make sure you are reading any announcements thoroughly when they are posted there.

#### **Late Work Policy:**

The word “assignments” refers to all work that is submitted via Blackboard or presented in class. Students are to submit assignments on or before the stated due date/time. **Late work is not accepted.**

#### **Attendance Policy:**

Students are expected to participate regularly and complete all assigned work. Excessive absences (two consecutive weeks of no participation) *may* result in the student being dropped from the class or having their grade average reduced. An attempt will be made to contact you before this happens, but should an emergency arise, you will need to contact your instructor by phone or email should you not be able to meet this requirement. Please see the schedule of classes for the last day to withdraw. Religious Holy Days: please refer to the current Northeast Texas Community College Student Handbook.

#### **Withdrawal Policy/Date:**

It is your responsibility to drop a course or withdraw from the college. If you stop attending the course without withdrawing, you will still receive a grade, whether passing or failing.

#### **Alternate Operations During Campus Closure and/or Alternate Course Delivery Requirements:**

In the event of an emergency or announced campus closure due to a natural disaster or pandemic, it may be necessary for Northeast Texas Community College to move to altered operations. During this time, Northeast

Texas Community College may opt to continue delivery of instruction through methods that include, but are not limited to: online through the Blackboard Learning Management System, online conferencing, email messaging, and/or an alternate schedule. It is the responsibility of the student to monitor NTCC's website (<http://www.ntcc.edu/>) for instructions about continuing courses remotely, Blackboard for each class for course-specific communication, and NTCC email for important general information.

Additionally, there may be instances where a course may not be able to be continued in the same delivery format as it originates (face-to-face, fully online, live remote, or hybrid). Should this be the case, every effort will be made to continue instruction in an alternative delivery format. Students will be informed of any changes of this nature through email messaging and/or the Blackboard course site.

**NTCC Academic Honesty/Ethics Statement:**

NTCC upholds the highest standards of academic integrity. The college expects all students to engage in their academic pursuits in an honest manner that is beyond reproach using their intellect and resources designated as allowable by the course instructor. Students are responsible for addressing questions about allowable resources with the course instructor. Academic dishonesty such as cheating, plagiarism, and collusion is unacceptable and may result in disciplinary action. This course will follow the NTCC Academic Honesty and Academic Ethics policies stated in the Student Handbook. Refer to the student handbook for more information on these subjects.

**ADA Statement:**

It is the policy of NTCC to provide reasonable accommodations for qualified individuals who are students with disabilities. This College will adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. It is the student's responsibility to request accommodations. An appointment can be made with the Academic Advisor/Coordinator of Special Populations located in Student Services and can be reached at 903-434-8264. For more information and to obtain a copy of the Request for Accommodations, please refer to the special populations page on the NTCC website.

**Family Educational Rights and Privacy Act (FERPA):**

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student when he or she attends a school beyond the high school level. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.
