Students are able to cultivate their creative writing skills throughout the semester as they develop and create a portfolio of work.

**Student Responsibilities:**

Please try to make it to class on time. Also, always remember to bring paper and a writing utensil to each class. You will be reading and writing in class. You will not be successful in this class without the appropriate materials. If you prefer, you may also use your computer to write during our in-class writing activities.

Please don't engage in casual conversations during our lecture, discussion and group times or while we're working on in-class assignments. I reserve the right to act as necessary to maintain a productive class environment, including asking disruptive students to leave, and in extreme circumstances, dropping chronic disruptors from my course. I will not tolerate uncivil behavior toward other class members during class discussions. Uncivil behavior includes interrupting others while they have the floor, rude responses to the ideas expressed by others, and the use of racial, ethnic, sexual, gender, or religious slurs.

- Participate actively and meaningfully in all group discussions
- Prepare and submit all writing assignments on time

**Course Evaluations:**

Toward the end of the course you will be asked to complete an online course evaluation. Students are encouraged to fill out an online evaluation for each of their courses. This will be your opportunity to share important feedback on each of the courses you take at NTCC and the faculty member who teaches the class. Please watch for info about the evaluation on your NTCC email account and make sure you participate in evaluating your experiences in the classroom.

**Withdrawal Policy:**

It is your responsibility to drop a course or withdraw from the college. Failure to do so will usually result in a performance grade usually of "F."

**Alternate Operations During Campus Closure and/or Alternate Course Delivery Requirements:**

In the event of an emergency or announced campus closure due to a natural disaster or pandemic, it may be necessary for Northeast Texas Community College to move to altered operations. During this time, Northeast Texas Community College may opt to continue delivery of instruction through methods that include, but are not limited to, online through the Blackboard Learning Management System, online conferencing, email messaging, and/or an alternate schedule. It is the responsibility of the student to monitor NTCC's website (<http://www.ntcc.edu/>) for instructions about continuing courses remotely, Blackboard for each class for course-specific communication, and NTCC email for important general information.

Additionally, there may be instances where a course may not be able to be continued in the same delivery format as it originates (face-to-face, fully online, live remote, or hybrid). Should this be the case, every effort will be made to continue instruction in an alternative delivery format. Students will be informed of any changes of this nature through email messaging and/or the Blackboard course site.

**NTCC Academic Honesty/Ethics Statement:**

NTCC upholds the highest standards of academic integrity. The college expects all students to engage in their academic pursuits in an honest manner that is beyond reproach using their intellect and resources designated as allowable by the course instructor. Students are responsible for addressing questions about allowable resources with the course instructor. Academic dishonesty such as cheating, plagiarism, and collusion is unacceptable and may result in disciplinary action. This course will follow the NTCC Academic Honesty and Academic Ethics policies stated in the Student Handbook. Refer to the student handbook for more information on these subjects.

**ADA Statement:**

**Family Educational Rights and Privacy Act (FERPA):**

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student when he or she attends a school beyond the high school level. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.
