

# BIOL 1406 – General Biology I

Course Syllabus: Spring 2022

---

*"Northeast Texas Community College exists to provide personal, dynamic learning experiences empowering students to succeed."*

**Professor:**

**StacieYarbrough**

**Office:** UHS 161

**Phone:** 903.434.8263

**Email:** [syarbrough@ntcc.edu](mailto:syarbrough@ntcc.edu)

Office Hours	Monday	Tuesday	Wednesday	Thursday
	11-12:30	11-12:30	11-12:30	11-12:30
	1:30-3	1:30-3		1:30-3

***This syllabus serves as the documentation for all course policies and requirements, assignments, and instructor/student responsibilities.***

*Information relative to the delivery of the content contained in this syllabus is subject to change. Should that happen, the student will be notified.*

**Course Description:**

4 credit hours. Lecture/Lab: Three hours of lecture and three hours of lab each week.

A study of the biological sciences for students who plan to major or minor in biology or pre-professional studies or to fulfill the laboratory science requirement of other majors. This course utilizes an integrated approach and emphasizes the molecular basis of life, cell biology, and bioenergetics. Other topics for discussion include Mendelian and molecular genetics.

Note: Additional course fee(s) required.

**Prerequisite(s):** None

**Student Learning Outcomes:**

1. Apply scientific reasoning to investigate questions and utilize scientific tools such as microscopes and laboratory equipment to collect and analyze data.
2. Use critical thinking, scientific problem-solving, and teamwork to make informed decisions in the laboratory.
3. Communicate effectively the results of scientific investigations.
4. Describe the characteristics of life.
5. Explain the methods of inquiry used by scientist.
6. Identify the basic requirements of life and the properties of the major molecules needed for life.
7. Compare and contrast the structures, reproduction, and characteristics of viruses, prokaryotic cells, and eukaryotic cells.
8. Describe the structure of cell membranes and the movement of molecules across a membrane.
9. Identify the substrates, products, and important chemical pathways in metabolism.

10. Identify the principles of inheritance and solve classical genetic problems.
11. Identify the chemical structures, synthesis, and regulation of nucleic acids and proteins.
12. Describe the unity and diversity of life and the evidence for evolution through natural selection.

### **Evaluation/Grading Policy:**

#### **Lectures & Discussions**

CH 1 - The Science of Biology

CH 2 – The Nature of Molecules and the Properties of Water

CH 3 – The Chemical Building Blocks of Life

#### **EXAM 1 (CH 1-3)**

CH 4 – Cell Structure

CH 5 – Membranes (Diffusion/Osmosis)

#### **EXAM 2 (CH 4-5)**

CH 6 – Energy and Metabolism (Enzymes)

CH 7 – How Cells Harvest Energy (Respiration)

CH 8 – Photosynthesis

#### **EXAM 3 (CH 6-8)**

CH 10 – How Cells Divide (Cell Cycle and Mitosis)

CH 11 – Sexual Reproduction and Meiosis

#### **EXAM 4 (CH 10-11)**

CH 12 – Patterns of Inheritance (Mendelian Genetics)

CH 13 – Chromosome Genetics

CH 14 – DNA: The Genetic Material

CH 15 – Genes and How They Work (Transcription and Translation)

#### **EXAM 5 (CH 12-15)**

Final Exam Review

#### **FINAL EXAM (CH 1-8, 10-15)**

### **Lab Schedule**

Lab Topic 1 – Scientific Inquiry

Lab Topic 2 – Biochemistry

Lab Topic 3/4– Microscopy & Cytology

Lab Topic 4/5 –Cell Membranes & Passive Transport

Lab Topic 6 – Enzymes

#### **LAB PRACTICAL 1 (Lab Topics 1-6) – 100 points**

Lab Topic 7 – Respiration

Lab Topic 8 – Photosynthesis

Lab Topic 9/10 – Cell Division & Genetics

Lab Topic 11 – DNA & Biotechnology

Lab Topic 12 – Bacterial Transformation

Lab Topic 13 – CRISPR

#### **LAB PRACTICAL 2 (Lab Topics 7-13) – 100 points**

**Evaluation/Grading Policy (1500 points):****LECTURE: 50%****10% –Connect Online****500 pts – 5 Lecture Exams****LABORATORY: 30%****10% – Weekly Lab Grades (prelab, report)****5% – 1 Scientific Paper****15% – 2 Lab Practicals****FINAL EXAM: 20%****Grade Assignment:****A = 90-100%****B = 80-89%****C = 70-79%****D = 60-69%****F = 0-59%****Lecture Assignments**

Weekly online tutorials and quizzes will be assigned to check your understanding of classrooms discussions and reading assignments. These are completed online in Connect. You will need to access Connect the first week of the semester and register your keycode to complete your assignments. Each assignment has a posted due date for completion. Due dates in Connect are firm – no makeups for missed homework.

**Tests/Exams**

The lecture exams may include both objective questions (multiple choice, matching, etc.) over classroom discussions, notes, text materials, and readings as well as descriptive questions requiring detailed explanations over broad themes. Success on the exams is a function of anxiety regulation, test prep, study strategies, and studying for retention. Retention requires repetitions, which requires time! Scantrons will be required for the major exams. Tests will not be made up for any reason without prior communication to your instructor. Late arrivals must complete exam by end of class time.

**Pre-Labs:**

Weekly pre-labs are to be completed prior to the lab session. They are due at the beginning of the lab session prior to taking the lab quiz. The average of all 12 pre-labs is 100 points of your course grade. Late pre-labs are not accepted.

**Lab Reports:**

The lab reports from the lab manual are to be completed during lab and submitted at the end of the lab period. These, along with the quizzes, are designed to help you prepare for the Lab Practicals.

**Scientific Paper:**

Students will write a Scientific Paper over one lab experiment. This paper will be in scientific format with an abstract, introduction, hypothesis, methods, results, and conclusion sections. A rough draft will be submitted the week prior to the due date. The final draft is due prior to lab on the due date.

**Lab Practicals:**

A lab practical will be given twice during the semester. It is a live exam with stations that students will rotate through and answer open ended questions associated with visuals from lab. Visuals may include images, specimens, lab equipment, data tables, graphs, experimental results, etc.

**Final Exam**

A comprehensive final exam will be given during the time set forth by the college Final Exam Schedule. The final exam will consist of 100 objective questions (multiple choice, matching, etc.) from all chapters listed above. A scantron is required for the final exam.

**Required Instructional Materials:** Raven: Biology 12<sup>th</sup> ed with Connect Inclusive Access

**Publisher:** McGraw Hill

**ISBN Number:** Available through NTCC Bookstore

**Required Instructional Materials:** Hearron & Ward: Exploring Biology 1 Lab Manual

**Publisher:** NTCC

**ISBN Number:** Available through NTCC Bookstore

**Optional Instructional Materials:** Scantrons required for major exams

**Minimum Technology Requirements:** Internet Access; Microsoft Office or Google Suite

**Required Computer Literacy Skills:** Blackboard; Microsoft Office or Google Suite

**Communications:** Turnaround time for email responses is 24 hours during workweek. NTCC email is the official form of communication used by the college.

**Institutional/Course Policy:**

Attendance via zoom is mandatory and will affect your grade as in class quizzes will count as zeros if you are absent for any reason.

**Withdraw Date:** The last day to drop the course with a grade of “W” is **Thursday, April 7**. If circumstances require you to withdraw from this course, you must do so by that date. It is the **student’s responsibility** to initiate the withdrawal with the registrar’s office. **Failure to officially withdraw will result in your receiving a grade of F.**

**Alternate Operations During Campus Closure and/or Alternate Course Delivery Requirements:**

In the event of an emergency or announced campus closure due to a natural disaster or pandemic, it may be necessary for Northeast Texas Community College to move to altered operations. During this time, Northeast Texas Community College may opt to continue delivery of instruction through methods that include, but are not limited to, online through the Blackboard Learning Management System, online conferencing, email messaging, and/or an alternate schedule. It is the responsibility of the student to monitor NTCC’s website (<http://www.ntcc.edu/>) for instructions about continuing courses remotely, Blackboard for each class for course-specific communication, and NTCC email for important general information.

Additionally, there may be instances where a course may not be able to be continued in the same delivery format as it originates (face-to-face, fully online, live remote, or hybrid). Should this be the case, every effort will be made to continue instruction in an alternative delivery format. Students will be informed of any changes of this nature through email messaging and/or the Blackboard course site.

**NTCC Academic Honesty/Ethics Statement:**

NTCC upholds the highest standards of academic integrity. The college expects all students to engage in their academic pursuits in an honest manner that is beyond reproach using their intellect and resources designated as allowable by the course instructor. Students are responsible

for addressing questions about allowable resources with the course instructor. Academic dishonesty such as cheating, plagiarism, and collusion is unacceptable and may result in disciplinary action. This course will follow the NTCC Academic Honesty and Academic Ethics policies stated in the Student Handbook. Refer to the student handbook for more information on these subjects.

**ADA Statement:**

It is the policy of NTCC to provide reasonable accommodations for qualified individuals who are students with disabilities. This College will adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. It is the student's responsibility to request accommodations. An appointment can be made with the Academic Advisor/Coordinator of Special Populations located in Student Services and can be reached at 903-434-8264. For more information and to obtain a copy of the Request for Accommodations, please refer to the special populations page on the NTCC website.

**Family Educational Rights and Privacy Act (FERPA):**

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student when he or she attends a school beyond the high school level. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.

**Eagle Assist:** At Northeast Texas Community College, we understand that students often need support that extends beyond the classroom. "Eagle Assist" is the place to start when looking for that type of assistance. Our support system is here to help you succeed in both your academic and personal growth.

**Services provided:**

- Mental Health Counseling (visit [www.thevirtualcaregroup.com/ntcc](http://www.thevirtualcaregroup.com/ntcc) to activate your account)
- Classroom Accommodations
- NTCC Care Center Food Pantry
- NTCC Care Center Hygiene Closet
- NTCC Care Center Cook Nook
- Financial Literacy
- Child Care Assistance
- Emergency Aid
