Course Title: Major Collision Repair and Panel Replacement

Course Credit Hours: 3 **Lecture Hours** 2 **Lab Hours** 5

Textbook(s): Collision Repair and refinishing (Thomas/Jund) 2nd Edition

Supplies: Spiral notebook and pen

Course Description: Four hours credit. Instruction in preparation of vehicles for major repair processes. This course covers interpreting information from damage reports, planning repair sequences, selecting appropriate tools, and organizing removed parts for reinstallation.

Student Learning Outcomes:

- Repair damaged substructures to manufacturer’s specifications
- Align new panels to manufacturer’s specifications using original assembly points
- List various methods of holding a position to permanent attachment

Course Requirements:

1. Attend class regularly and on time
2. Demonstrate knowledge of all learning objectives and competencies
3. Take responsibility for learning process
4. Complete all exams and coursework

Course Format: The course will be presented with lectures including text and technique. A majority of the instruction will be in the lab with hands on experience.

Method of Evaluation: Students will be evaluated on their mastery of course competencies, the number of competency hours completed, attendance and test performance.

Attendance Policy: An attendance grade will be averaged in with other grades. This is reflective of real life. Poor attendance affects ability to complete and master competencies.

Exemplary Educational Objectives:

Evaluation/Grading Policy:

Grading will be represented by a Grade Value Points System. 500 points is the target goal for the course and would be equal to a 100% or an “A” grade. The course calendar will display point’s assignments.

Grades of A, B, C, D, and F will be determined by the student’s achievement of a total number of possible points based on the below listed categories.

<u>Assignments</u>	<u>Quantity</u>	<u>Pts. Per Assign.</u>	<u>Total Pts. Possible</u>
Syllabus Quiz	1	25	25
Textbook Exam	3	25	75
Toolbox Test	1	25	25
Attendance	1	100	100
Semester Project			
Prep Part	1	55	55
Prime Part	1	55	55
Sand Part	1	55	55
Paint Part	1	55	55
Sand and Buff Part	1	55	55
Total			500

The letter grade is based on the following Grading Scale:

Total Pts. Earned	Ltr. Grade
450-500	A
400-449	B
350-399	C
300-349	D
Below 300	F

Essential Elements may be held to either a Pass/Fail standard or a deduction of grade points at the discretion of the course Instructor.

The Essential Elements of this ABDR class are as follows:

- On Time Physically/Mentally
- Assignments Completed On Time
- Exhibit Safety
- Exhibit Positive Attitude
- Display Self-Responsibility
- Display of Positive Ethics
- Other specific assignment (such as a research paper/report) as the instructor may assign.

Standard Grades:

A=	Superior	(90-100)
B=	Above Average	(80-89)
C=	Average	(70-79)
D=	Below Average	(60-69) (May not be suitable for advancement)
F=	Failing	(59-00) (Not suitable for advancement)

Note: A "C" or better is required in your declared major.

Note: A Work Ethics standard is based on the characteristics listed below under Professionalism. The instructor may grade on a weekly or daily basis depending on their preference. If you are absent you will receive a zero for the day for all daily criteria. 3 tardies of less than 14 minutes can equal an absence. To exceed 10% total course time with absenteeism may result in course failure and dismissal at the discretion of the Instructor and the Program Director.

Note: The following are several examples of objectives that may be used to satisfy demonstration of positive attitudes.

- Use safe work habits
- Demonstrate positive personal habits including personal hygiene
- Display good judgment
- Demonstrate productivity
- Demonstrate quality work
- Prepared for class
- Manage time

Note: The following attitudes can result in a loss of points for the day.

- **Not properly dressed.**
- **No safety glasses.**
- **Sleeping during class or lab.**
- **Using cell phones/texting during class or lab.**
- **Dis-agreeable behavior**

Dress Code

Student Responsibilities/Expectations:

It is important to present a professional image in the work place. Auto body is a dirty profession, so wear clothing that you can afford to ruin. **Shorts and sandals are not allowed and you will be sent home to change. Professional appearance is part of your grade**

Safety Glasses

Safety glasses are required. Prescription glasses are okay if confirmed by a statement from your optometrist and are fitted with side shields. Bring this statement at the start of school.

Driver's License

Auto Body students are required to have a valid driver's license. Without this students cannot drive vehicles to complete the required tasks. Students' are responsible for providing vehicles for many of the tasks they are required to complete.

NTCC Academic Honesty Statement:

"Students are expected to complete course work in an honest manner, using their intellects and resources designated as allowable by the course instructor. Students are responsible for addressing questions about allowable resources with the course instructor. NTCC upholds the highest standards of academic integrity. This course will follow the NTCC Academic Honesty policy stated in the Student Handbook."

Academic Ethics:

The college expects all students to engage in academic pursuits in a manner that is beyond reproach. Students are expected to maintain complete honesty and integrity in their academic pursuit. Academic dishonesty such as cheating, plagiarism, and collusion is unacceptable and may result in disciplinary action. Refer to the student handbook for more information on this subject.

ADA Statement:

It is the policy of NTCC to provide reasonable accommodations for qualified individuals who are students with disabilities. This College will adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. It is the student's responsibility to arrange an appointment with a College counselor to obtain a Request for Accommodations form. For more information, please refer to the NTCC Catalog or Student Handbook.

Family Educational Rights and Privacy Act (FERPA):

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student when he or she attends a school beyond the high school level. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.
