Course Description:

4 Credit Hours

The Cosmetology Operator program consists of a 1000-hour program which offers the instruction required to pass the state cosmetology examination for licensing in Texas and for entry into the field of cosmetology. Training includes haircutting, hair coloring, hair styling, manicures, facials, and related subjects in the hair chemistry, trichology, and cosmetology chemistry. Students will be awarded certificates of competency upon successful completion of the required cosmetology courses. Students must complete 1000 clock hours of instruction to be eligible to take the state board examination. Upon passing that examination, students become licensed hairdressers. This program has the approval of the Texas Department of Licensing and Regulation. Each student applying for the Cosmetology Operator Training Program must have a pre-enrollment interview with the instructor. Space in the program is limited. Students are encouraged to apply early.

Prerequisite(s): Students must have submitted a completed application packet to enroll in the course.

Students must successfully complete this course in grades and attendance, in order to enroll in the second 'spring' semester

Student Learning Outcomes:

After the successful completion of this course the student will be able to:

1. Identify fundamental concepts and skills required by TDLR-properly drape, sanitize implements and work areas, shampoo, perform client consultations, and scalp and hair observations
2. Be able to perform basic skills required by TDLR standards, Sanitize hands before and after services, observe all safety and sanitation measures during practice and services

Recognize hair and scalp disorders commonly seen in the school and/or salon setting, and be able to describe which can and cannot be treated.

NTCC Course Information:

- **Face-to-face** classes will have limited numbers of students allowed in each classroom to maintain social distancing.
- **Fully online classes** will be delivered using NTCC’s traditional online format through the Blackboard Learning Management System.
- **Live Remote classes** will connect the instructor and the student in a virtual classroom where the student will
- Receive live instruction and be able to interact directly with the faculty member during the course’s class time.
- **Hybrid classes** will have a combination of an on-campus face-to-face component with additional material being delivered online.

Course Structure and Overview:

This course will provide understanding for the sanitation requirements involved when providing hair, skin, scalp

and nail services to the public, and proper and safe use and storage of chemical commonly used in the salon. Students will learn about the layers of the skin, and how the skin functions. Fundamentals of cosmetology will assist the student in learning how to care for aging skin, and causes of skin disorders and diseases

Communications:

Emails will be responded to within 24-48 hours, depending on when the email has been sent. During holidays and campus closings, the instructors may not be at a time or place in which communications are available. During regular semesters instructors will be available during the week and will check in during weekends if able.

Students will login to the Remind app on their phones and advise the instructors if they change phone numbers. The Remind app is the general way the program relays messages to the class. Students will be able to login to Mind tap to keep up with the grades posted in this course.

Check you student email regularly, as this is the primary means of communication within the college.

Class delivery will be offered in one of four ways: Traditional face-to-face format, fully online format, Live Remote format, or a hybrid format (face to face with an online component)

Institutional/Course Policy

Missed worksheet assignments cannot be made up, missed test(s) may be made up with instructor approval. It is up to the student to contact the instructor if they miss a test to request a makeup exam. Students must login to Mind tap weekly, and do all required assignments, and accrue required hours of log in participation time. All students will receive a Cosmetology Student Handbook, and must abide by the contents in order to remain in the class.

Other Course Policies: The cosmetology course is designed to train individuals to be able to enter the field of hairdressing upon receiving their cosmetology license. For a student to be completely ready to enter the world of the salon, student must display a professional maturity and appearance, which is required during training throughout the course

It is the student's responsibility to drop themselves from the cosmetology department through the admissions office

The cosmetology course is designed to train individuals to be able to enter the field of hair dressing upon receiving their cosmetology license, for a student to be completely ready to enter the world of the salon, student must display a professional maturity and appearance, which is required during training throughout the course.

For this reason, a Student Stylist Handbook of Professional Integrity is issued to every student. The guidelines within require students to dress in a professional manner and behave in a professional manner.

Cell phones have become a part of our lives; *however*, we cannot let them take over our day. Vital information will not be heard if a student is using a cellphone during class. Cell phones should only be used during break. If there is an emergency or if you know there may be a situation where you will need to be contacted/alerted, please have friends/relatives call Charla Hunt at 903-434-8209.

- Students must wear professional uniform as described in Career Information Day or in personal interview.

- Students must clock in looking professional with makeup applied, and hair styled as needed.
- Students must come to class with all the necessary materials, tools, and supplies as needed daily.
- **Fighting between students, and/or inappropriate interaction between students/instructor is not allowed-students will be immediately dropped from this course if a student initiates or takes any part in a violent episode or behavior. NTCC Security will be called and the student will be escorted from the campus, along with their possessions.**
- A professional and positive attitude of good will and helpfulness is a requirement for a professional entering the career world and is required during training in this course.

Failure to adhere to the course guidelines/Cosmetology Student Handbook will be just cause for discipline action such as 1st Offense-verbal or written warning, 2nd Offense-Write Up, suspension from class for 3 days, 3Rd Offense-suspension or drop from the course

Video Recording of Course Activities:

Certain portions of this course may be recorded via video conferencing software to assist students in course material review or later viewing by a student who was not able to attend the live session. The recordings will be made available only to students within the course and will cease to be available upon completion of the course. Students may not retain, reproduce, or share recordings.

Alternate Operations During Campus Closure and/or Alternate Course Delivery Requirements

In the event of an emergency or announced campus closure due to a natural disaster or pandemic, it may be necessary for Northeast Texas Community College to move to altered operations. During this time, Northeast Texas Community College may opt to continue delivery of instruction through methods that include, but are not limited to, online through the Blackboard Learning Management System, online conferencing, email messaging, and/or an alternate schedule. It is the responsibility of the student to monitor NTCC's website (<http://www.ntcc.edu/>) for instructions about continuing courses remotely, Blackboard for each class for course-specific communication, and NTCC email for important general information.

Additionally, there may be instances where a course may not be able to be continued in the same delivery format as it originates (face-to-face, fully online, live remote, or hybrid). Should this be the case, every effort will be made to continue instruction in an alternative delivery format. Students will be informed of any changes of this nature through email messaging and/or the Blackboard course site.

Students who are attending any Zoom classes will only get attendance or work credit by the following guidelines:

- Students must attend class at the designated times: **This is a regular scheduled class-be sure to create time for this class.** If you do not attend because of any reason, you will get an absence for the day and zero grade. Excuses such as I was at the grocery store, getting oil changed etc. is not an excuse for missing a remote class. Prepare for Zoom classes like you would for a face to face on campus class.
- Students be present by video recording (we must see you during the class)
- Students must be dressed, sitting (not in bed!) without distraction while in classes.

All Students and Faculty:

1. While on Campus, everyone will be required to:
 - a) Maintain social distance (6ft) as much as possible
 - b) Wear your face covering/mask when entering buildings and in all public areas inside (hallways, bathrooms, lobbies, study areas, etc.)

- c) Continuously practice hand hygiene with disinfectant and/or hand washing (recommended every 20 minutes) and utilize cough etiquette throughout your time on campus.
- d) In classrooms/offices where social distancing is maintained while seated, wearing of face covering/mas is recommended but not required.
- e) In classrooms/labs where social distancing is NOT possible, face covering/masks and PPE appropriate for class activities is recommended but not required.
- f) Students will promptly leave campus premises at conclusion of classroom/lab activities.

NTCC Academic Honesty/Ethics Statement:

NTCC upholds the highest standards of academic integrity. The college expects all students to engage in their academic pursuits in an honest manner that is beyond reproach using their intellect and resources designated as allowable by the course instructor. Students are responsible for addressing questions about allowable resources with the course instructor. Academic dishonesty such as cheating, plagiarism, and collusion is unacceptable and may result in disciplinary action. This course will follow the NTCC Academic Honesty and Academic Ethics policies stated in the Student Handbook. Refer to the student handbook for more information on these subjects.

ADA Statement:

It is the policy of NTCC to provide reasonable accommodations for qualified individuals who are students with disabilities. This College will adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. It is the student's responsibility to request accommodations. An appointment can be made with the Academic Advisor/Coordinator of Special Populations located in Student Services and can be reached at 903-434-8264. For more information and to obtain a copy of the Request for Accommodations, please refer to the special populations page on the NTCC website.

Family Educational Rights and Privacy Act (FERPA):

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student when he or she attends a school beyond the high school level. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the

written consent of the student. In compliance with FERPA, information classified as “directory information” may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as: the student’s name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, field of study, degrees, awards received, and participation in officially recognized activities/sports.
