This syllabus serves as the documentation for all course policies and requirements, assignments, and instructor/student responsibilities.

Information relative to the delivery of the content contained in this syllabus is subject to change. Should that happen, the student will be notified.

Course Description: 3 credit hours. Lecture/Lab/Clinical. Five hours of class each week. A studio course exploring drawing with continued emphasis on descriptive, expressive and conceptual approaches. Students will further develop the ability to see and interpret a variety of subjects while using diverse materials and techniques. Course work will facilitate a dialogue in which students will employ critical analysis to broaden their understanding of drawing as a discipline.

Prerequisite(s): ARTS 1316

Student Learning Outcomes:

Upon successful completion of this course, students will:

1. Describe visual subjects through the use of accurate and sensitive observation.
2. Generate drawings that demonstrate descriptive, expressive, and conceptual approaches with an increased focus on individual expression.
3. Utilize varied materials and techniques, including color media, with informed aesthetic and conceptual strategies.
4. Demonstrate an appropriate level of professional practice, including safety, craft and presentation.
5. Analyze and critique drawings verbally and/or in writing.
6. Relate their drawings to historical and contemporary developments in the field.

Evaluation/Grading Policy: All assignments must be turned in by due dates announced in class and /or stated in syllabus. Some assignments are due before midterm. See the calendar for dates. Assignments are graded by a rubric to be discussed in class. Rubrics are located in appendices. Grades will be posted in your Blackboard grade center one week after the assignment is due.

You are responsible to get with a classmate or two for topics covered in the missed class. Get their phone numbers or emails. Have a buddy system. Coordinate with the classmates ahead of time,

so the classmates can take notes for you.

Grades are based on the following:

Three (3) Drawing Projects - 50%

Sketchbook (Assigned drawing projects) – 15%

Oral presentation using PowerPoint and Online Portfolio – 20%

Safety Knowledge and Syllabus Acknowledgement Agreement – 5%

Student Art Show Preparation and Presentation and Critique – 10%

Required Instructional Materials: There is no textbook for this course. You may find the following required items in the college bookstore, online, Hobby Lobby, Michaels, and/or Walmart. Must have supplies by 2nd class.

18 x 24 Strathmore Series 400 Drawing Pad (by second class meeting)

Prismacolor colored pencil set of 24 (available in the bookstore)

3-4 paper stumps or tortillion will also work)

Chamois piece for blending. You can get a large car chamois (not the synthetic kind) and cut it up into large squares.

Kneaded eraser

9 x 12 drawing journal

Magic Rub Eraser by Stanford (white eraser)

Alligator clips – 2 each

Container for your supplies

Graphite Pencils – Set of 12 different degreed pencils in a set. Derwent and Staedler are good brands.

Ebony pencil

Pencil Sharpener

Charcoal – a variety of vine, compressed and charcoal

Can of spray fixative or hairspray

Portfolio for your drawings

Your OWN photographs – no magazine images, no celebrities (unless you took the images yourself), no anime or Manga, no formal studio poses. You can use copyright-free images from Pixabay or Unsplash. All photos must be approved by the instructor prior to the start of a project.

Additional items not in kit from the bookstore (this semester)

Knitting needle or straight wooden skewer (not in kit at the bookstore this semester)

Sharpening block or Sand paper – 120 or 150 grit

Utility knife

Camera or phone camera for photographing work to upload into Blackboard.

Optional Instructional Materials: Drawing from Observation by Brian Curtis, Drawing on the Right Side of the Brain by Betty Edwards, any drawing books, online tutorials, and art magazines.

Minimum Technology Requirements: Computers are in the art lab, but you may use your own laptop, if you already have an Adobe account.

Required Computer Literacy Skills: Some Adobe Photoshop skills, PowerPoint, Blackboard, and email.

Course Structure and Overview: There are no formal written tests. Drawing projects will serve as tests. The sketchbook drawings will serve as individual assignments and will also be graded as a whole as a major grade at the end of the semester. Power Point presentations also count as major grades.

Assignments by Student Learning Outcomes (SLO's):

SLO#1 – one drawing focusing on drapery in full value (descriptive)

SLO#2 - Two drawings: expressive figure and head drawing using varied colored media

SLO#3 – Sketchbook, exploring a variety of materials (dry and wet, colors, etc.) and techniques, such as oil pastels, colored pencil, and watercolor pencils.

SLO#4 – Presentation in student art show and collaboration with journalism students

SLO#5 –Participate in classroom critiques of work in progress and final portfolios

SLO#6 - Two (2) oral presentations using PowerPoint – one using historical artists and one using contemporary artists.

Communications: The instructor will answer and return all NTCC emails and phone calls within a 24 hour period, except on weekends. Please load your phone with the Microsoft Teams app and find Drawing II Spring 2023 for further communication. NTCC email is the official form of communication used by the college. The instructor will only respond to NTCC email accounts from students. No other email accounts may be used. You may also use Microsoft Teams to communicate with me. In all communication, include your full name, student ID, and course number/section number.

Institutional/Course Policy: Attendance and promptness are mandatory. But, if you MUST miss class, email me at mhall@ntcc.edu or call 903-434-8172. The mail and phone number is also listed at the top of the syllabus.

You are responsible for getting with a classmate or two for topics covered in the missed class. Get their phone numbers or emails. Have a buddy system. Coordinate with the classmates ahead of time, so the classmates can take notes for you.

You MUST complete all assigned projects. Projects turned in late (one week late) will receive one letter grade reduction. Absenteeism and arriving late, 5 minutes (more than 2 times) will result in a loss of points to your overall grade. Leaving early (more than 2 times) will result in a loss of points/percentage to your overall grade. More than two absences are detrimental to your final grade, and more than four absences will result in a drop from the course or a failing grade. You MUST be punctual and attend class regularly. Wear comfortable clothing and shoes that are appropriate for working with equipment and supplies in the art lab. Complete drawing assignments in class. If you finish a drawing assignment, you must get the instructor's approval before going on to the next assignment.

You are expected to come to class on time, alert and ready to participate in ALL activities during the art class to the best of your ability. Participate with your fellow classmates and talk to them about the projects, about the art terms, sketchbooks and different art areas. Interact with each other. "Trying is better than not trying at all." Not trying throughout the entire semester will result in lowering your grade one letter grade.

Turn volume off cell phones when in classroom. Step outside if you MUST talk on the phone. One earbud is allowed in class while working independently. Earbuds are not allowed during lectures.

Wearing a mask is not required. However, for the safety of all please consider wearing a mask and maintaining six feet of social distancing when in the art lab. Sanitize your hands and supplies before entering art lab. If you forget your art supplies more than two times, that will be one letter grade reduction. You may not go home to get them. You may use the college art supplies. Be sure to return college art supplies at the end of the class, sanitized. Sanitize your supplies before you work. If you use a classroom tool, clean it, dry it and sanitize it before returning it to the correct storage area. Clean your work area by wiping it down with a clean towel and drying it with a paper towel. Sanitize it. All of this before needs to be completed before you leave for the day. Push your chair back up under the table. Charcoal and graphite are dusty and dirty. So please keep your area clean and make sure your area is clean before leaving. Sanitize your area. Leaving your area unclean more than two (2) times counts as a letter grade reduction.

Alternate Operations During Campus Closure and/or Alternate Course Delivery Requirements

In the event of an emergency or announced campus closure due to a natural disaster or pandemic, it may be necessary for Northeast Texas Community College to move to altered operations. During this time, Northeast Texas Community College may opt to continue delivery of instruction through methods that include but are not limited to, online through the Blackboard Learning Management System, online conferencing, email messaging, and/or an alternate schedule. It is the responsibility of the student to monitor NTCC's website (<http://www.ntcc.edu/>) for instructions about continuing courses remotely, Blackboard for each class for course-specific communication, and NTCC email for important general information.

Additionally, there may be instances where a course may not be able to be continued in the same delivery format as it originates (face-to-face, fully online, live remote, or hybrid). Should this be the case, every effort will be made to continue instruction in an alternative delivery format. Students will be informed of any changes of this nature through email messaging and/or the Blackboard course site.

Statement Regarding the Use of Artificial Intelligence (AI) Technology:

Absent a clear statement from a course instructor, use of or consultation with generative AI shall be treated analogously to assistance from another person (collusion). Generative AI is a subset of AI that utilizes machine learning models to create new, original content, such as images, text, or music, based on patterns and structures learned from existing data (Cornell, Center for Teaching Innovation). Unauthorized use of generative AI tools to complete an assignment or exam is not permitted. Students should acknowledge the use of generative AI and default to disclosing such assistance when in doubt. Individual course instructors may set their own policies regulating the use of generative AI tools in their courses, including allowing or disallowing some or all uses of such tools. Students who are unsure of policies regarding generative AI tools are encouraged to ask their instructors for clarification. **(Adapted from the Stanford University Office of Community Standards-- accessed August 31, 2023)**

NTCC Academic Honesty/Ethics Statement:

NTCC upholds the highest standards of academic integrity. The college expects all students to engage in their academic pursuits in an honest manner that is beyond reproach using their intellect and resources designated as allowable by the course instructor. Students are responsible for addressing questions about allowable resources with the course instructor. Academic dishonesty such as cheating, plagiarism, and collusion is unacceptable and may result in disciplinary action. This course will follow the NTCC Academic Honesty and Academic Ethics policies stated in the Student Handbook. Refer to the student handbook for more information on these subjects.

ADA Statement:

It is the policy of NTCC to provide reasonable accommodations for qualified individuals who are students with disabilities. This College will adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal educational opportunity. It is the student's responsibility to request accommodations. An appointment can be made with the Academic Advisor/Coordinator of Special Populations located in Student Services and can be reached at 903-434-8264. For more information and to obtain a copy of the Request for Accommodations, please refer to the special populations page on the NTCC website.

Family Educational Rights and Privacy Act (FERPA):

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student when he or she attends a school beyond the high school level. Students to whom the rights have transferred are considered "eligible students." In essence, a parent has no legal right to obtain information concerning the child's college records without the written consent of the student. In compliance with FERPA, information classified as "directory information" may be released to the general public without the written consent of the student unless the student makes a request in writing. Directory information is defined as the student's name, permanent address and/or local address, telephone listing, dates of attendance, most recent previous education institution attended, other information including major, the field of study, degrees, awards received, and participation in officially recognized activities/sports.
